

The Killdeer: An American novel set during the War of 1812

From his earliest days as a midshipman in the new American Navy to his eventual ownership of a vast shipping empire, Richard Holmwood displays an uncanny sixth sense for the sea and heroics. Richard battles Barbary Pirates off North Africa, then earns a fortune as a privateer during the War of 1812, where he is called The Killdeer by his enemies. At wars end, the Navy sends Richard to defend the Great Lakes territory. At that remote outpost, Richard and his young wife and family struggle with unimaginably harsh weather and isolation, longing to return to their home in coastal Virginia. This sweeping story of American history shows personal triumph and frontier spirit that overcomes tragedy and loss.
