

Pinto Valley

An aristocratic family loses their wealth and decides to re-locate to Oklahoma in hopes to settle down and make it big in the cattle business. Many possessions, whether personal or not, have to be left behind. The only items the Baxters are allowed to take are small things that will fit on their wagon. Expensive furniture, the finest of linens, and even the best clothing money could buy now have no value and cant go with them. Without knowing what lies ahead, the Baxters set out. Their lives and traditions are now turned upside down, as trials and tribulations force them to test their love for one another and they struggle to find the determination to make it on a new land in a new world!
